Life lost, lifesaving, and causes of death.

Tim Riffe [1] Aïda Solé Auró [2]

[1]Department of Demography
University of California, Berkeley

[2]Universitat Pompeu Fabra

PAA annual meeting
Session 234

Mortality measurement

lifetable: purged of structure

counts: structure $\times$ intensity

combo: PYLL, _____, _____, . . .

PYLL

Person years of life lost

$$PYLL = \int_0^\infty D(x) \times e(x)\, \mathrm{d}x \tag{1}$$

we usually just see the sum ...

Years Lost
